Please note that these totals do not include any modules shown above as Additional, as these do not count towards the credits required for your award.

Level	Total
4	120

Appeals

An **appeal** is when you ask the University to change its decision on your results, progression or final award. The only reasons you can appeal are if your results have been affected by the University not following its own assessment procedure or you had exceptional circumstances which you could not reasonably apply for, or evidence, using the Exceptional Circumstances Procedure. If you think you have a valid reason to appeal, you will need to do so within two weeks of the date on this notification.

Additional Guidance

Please click on this link for more detailed information and for contact details of where you can access support. http://www.staffs.ac.uk/support_depts/saas/resultsa-z.jsp

Your results have been determined in accordance with University Regulations which are available for you to view [here](#).
